Total interest earned		interest not applicable

Additional information

- If you hold a joint account, each person named on the account will receive a Statement of Fees in their own name (this may be paper or electronic depending on the account holder's preferences). Please note that accounts in joint names will not be charged twice for any service displayed on this Statement of Fees.
- Please note that any fee refunds, waivers or reversals that have been applied to your account are not documented on the Statement of Fees.
- Please note that fees from your previous product may be applied.
- Promotional offer rates will not be displayed, the amount you paid is accurately reflected.
- You will not be charged for ATM transactions using RBS Group ATMs, including Ulster Bank ATMs in the Republic of Ireland. If you use an RBS Group ATM, it will not be recorded in this Statement of Fees.
- If you have changed account type during the Statement of Fees period you may see a difference in your used and charged fees or a pro-rata or partial fee applied.
- You may see an inconsistency between the figures in the 'Number of times the service was used' and the 'Number of times the fee was charged' columns. This can be for the following reasons:
 1. Some charges are applied the following month (i.e. if you use your service in September, it may be charged in October.)
 2. If a waiver was applied to the account.
 3. If you have changed your account over the past year. Sometimes this may appear as 'pro-rata' or that a partial fee has been applied.
- For more information on the Statement of Fees visit natwest.com/statement-of-fees.

Here's a reminder about what you could be charged for unarranged overdrafts

1. Unarranged overdraft interest

Unarranged overdraft interest is calculated on the daily overdraft balance (including overdraft interest) on your account.

We don't charge unarranged overdraft interest on any part of an unarranged overdraft balance which represents an Unpaid Transaction Fee.

Any unarranged overdraft created on your account will be charged at the following rates:

Account	Nominal Monthly Rate %	Nominal Annual Rate %	EAR %	Maximum monthly charge
Adapt, Student, Foundation, Basic, Tailored and Select with Overdraft Control	0.0	0.0	0.0	£0.00
Graduate, Select, Reward, Select Silver, Reward Silver, Select Platinum and Black	2.81	33.75	39.49	£17.25
Premier Select and Reward Black	1.50	17.94	19.49	

2. Unpaid Transaction Fees

Fee	When could it be charged?	Amount	Maximum monthly charge
Unpaid Transaction Fee	If you instruct a payment that would create an unarranged overdraft and we refuse the payment due to lack of funds	£2.75	1 fee per charging period (£2.75)

Unpaid Transaction Fees may be charged on all accounts except Adapt, Foundation, Basic and Select with Overdraft Control, which won't be charged this fee.

The monthly cap on unarranged overdraft charges is £20.

- Each current account will set a monthly maximum charge for:
 - going overdrawn when you have not arranged an overdraft; or
 - going over/past your arranged overdraft limit (if you have one).
- This cap covers any:
 - interest and fees for going over/past your arranged overdraft limit;
 - fees for each payment your bank allows despite lack of funds; and
 - fees for each payment your bank refuses due to lack of funds.

We'll only change our fees or terms if we have a valid reason and we'll always explain in advance. If we increase our charges like those detailed in this letter, we'll always provide you with at least 60 days' notice.

And remember...

To help manage your money, you can:

- Use our easy and simple mobile banking app to manage your money on the go and check on recent transactions. Go to www.natwest.com/mobile to find out more. The app is available to Online Banking customers with a UK or international mobile number in specific countries.
- Look out for alerts to help manage your account. Make sure your mobile number and email address are up to date so that we can send these to you.
- Take advantage of Overdraft Control, which is available on our Select Account and can help you avoid charges by stopping, where possible, any payment that would take you into an unarranged overdraft. There's more information on our website.
- Use Open Banking – this allows you to provide banks and other online providers with secure access to your account information that can then help you manage your current accounts in a way that suits your needs. If you'd like more information about Open Banking you can visit our website.

It's important that you regularly review your account to ensure it meets your needs and remains suitable for you. If you'd like to convert to another account or close your account altogether, let us know and we'll help you with that. If you'd prefer to take an account with another provider, you can use the Current Account Switch Service (CASS) which offers a secure and easy way to switch in 7 days.

As part of a regulatory requirement, an independent service quality survey was conducted to ask customers of the 19 largest personal current account providers if they would recommend their provider to friends or family. NatWest ranked 12 and the results of this survey can be found on our home page at www.natwest.com.
